Layer 1

A diagram of a standard 104-key computer keyboard layout. The layout is divided into two main sections: the left half and the right half. The left half includes keys for Insert, Home, End, Page Up, Page Down, Reset, Tab, Delete, Left OS, Left Alt, Back Space, and Esc. The right half includes keys for F7, F8, F9, F10, F4, F5, F6, F11, F1, F2, F3, F12, Enter, Space, TO(0), Print Screen, and several unlabeled keys. The keys are arranged in a grid-like pattern, with some keys having multiple functions indicated by small text.
